Brecks	13/12/2018	15/11/2018	04/10/2018

* Please note that these are the final deadlines for applications to be considered for each respective decision making meeting. We strongly advise applicants to submit Expressions of Interest as early as possible ahead of a meeting, so you have plenty of time to develop the full application and to respond to any conditions arising from the assessment of the Expression of Interest. If the LIFT team is aware that there are an unusually large number of applications aiming for a particular meeting, we may ask you to submit your application earlier.
